“ Bob and I shared two passions, food and bourbon. We shared many a meals together with a nip or two or three bourbons. He was caring and generous beyond words. I am going to have a hard time on the trips we had planned over the next year together. He was a huge part of my life and Im truly going to miss him. Bob, you are loved more than you will ever know and there is a huge hole in my life where you will no longer be in it, but your memory will live on in our hearts forever.
