“ I remember Bubby and I tricking her in to giving us oreos for breakfast. This was shortly after her catching us while watching her sleep in her toilet paper wrapped hair. Lol. Happy to have you reunited with granddaddy. Love you nanny...RIP

“ The first memory I have of Nan when she moved back from Oregon was that she went and got her beehive hairdoo done. That evening Bird and I watched her wrap her hair in toilet paper and asked to have no pillows on the bed. Weird at that time but I tell ya her hair was perfect everyday. She never had a problem speaking her mind and telling you what she thought. She has still made the best pot roast i have ever had. Love you always Nan!!! -- Bub
