“ *I think about you a lot, Aunt Ann. You were always kind & funny. As a child, you were my very favorite aunt, because children see hearts and yours was pure. Life should've been kinder to you. I'm sorry that it wasn't.*

*Rest In Peace.*

*I will always have fond memories of the times I spent at your place listening to you play guitar and your infectious laugh. Although I was just a kid then, I still remember how much fun I had with my cousins playing board games, atari, etc. You will missed Aunt Ann.*
