“ My deepest condolences to the family and close friends of this wonderful co-worker. Anthony was such a blessing to so many people he came across in his working years here at the board. He will be forever missed but never forgotten. His forever compassion to teach and help others and kindness lives in the hearts and minds of many. An Angel gone from his board family, An Angel gained in heaven.

“ I work at the Board, and I used to see Tony and his colleagues go grab some breakfast or coffee at the Corner Bakery in the mornings over on L street. Then his group moved back to Martin, and I would catch him on occasion while over there. I was just over there last week, and he ran across my mind. I will always remember our little talks. He will surely be missed. My condolences to his family and friends.

I'm so grateful for Tony and his doting on Taylor and Oakley, especially after the passing of Michele in 2020. Tony and I didn't get to spend a lot of time together, but he was a good friend and I knew he trusted me as well. He always greeted me with a hug and a smile. Enter into the joy of your Lord, my friend.

“ *My prayers are with the entire family of Tony Jones. Tony and I worked together at the Board and he was my great friend that I learned a lot from. In all my years at the Board, he kept me laughing and always gave great advice. I'm saddened to have lost my friend. I looked up to Tony a lot and will miss our talks and jokes. To his wife, children and family, I pray Jesus gives you peace now and all the days of your life that surpass your understandings.*
