

Bethany Nicole Welsh Harper

April 18, 2020

Bethany Nicole Dyer Welsh Harper, 51, passed away on April 18, 2020.

She was born at Mission Hospital in Asheville, NC on March 9, 1969 to Terral & Jerry Dyer.

Bethany is survived by her loving husband Phillip Alan Harper, three daughters: Morgann Lynn Dyer, Taylor Nicole Welsh, and Payton Alexandra Welsh, stepson Phillip Thacker, her parents, niece: Amber Koppelman, and six grandchildren: Michael "Bubby" Balash, Adaya Nicole & Brayden Demetric Finley, Landon Malcolm & Violet Grace Edney, and Marisol Castro.

Beth was preceded in death by her first husband William Francis Welsh, and sister Terri "Roseanne" Koppelman.

"Bussie" grew up a "military brat" and took such pride in her father's professional and intellectual background. Bethany studied to be a paralegal because she enjoyed a good argument. She enjoyed her time at FedEx and was proud to work for the organization. Beth always put her children first before herself as they grew up she reminded them that she is "their mom first, and friend second" and departed being a mother and best friend to her kids. She loved a good ride on the back of her husband's motorcycle. Beth was an animal lover who always spoiled her animal babies. She was very creative

and always had multiple projects she was working on, she had an uncanny ability to take something simple and turn it into something as beautiful as she was. She had a green thumb and enjoyed gardening along with her plants.

Bethany left this world with so many friends and family that loved her. She always had to sparkle with her "bling" and left a little sparkle behind with every person she met. There will be a celebration of life for Bethany held this summer in Woodbridge, VA. In lieu of flowers the family is asking for donations to the MS society as she was a proud warrior.
