“ I met Beverly on 2012 when I moved into Victoria Park Apartments and lived right beside her in 225. We became very close friends and neighbors. We always had a good time and Beverly would always share whatever she was cooking such as beans and cornbread, pasta salad and broken glass which was a treat. I always helped Beverly whenever I could and would have done anything for her as she was so good to me and we got along great. I will miss her dearly and am so very sorry for her loss. But I have lots of great memories of her.

“ Mom, you were always a calm to me in a stormy place. The greatest vacation ever was the 3 days we spent in CA to go to the Hawks game. All my Love always.
