“ Brandon was like my son and one of my sons best friends. He grew up at my house "literally" with about 10 others, I always had a house full and they all still call me mom. Brandon was always the sweetest and funniest kid I've ever had the opportunity to meet. Life will not be the same without that smile. Rest easy my dear friend, we will always remember you. Please watch over us. Love you 🥺💔

“ Brandino there are so many fun memories of you to list. But I will tell you every time I hear Shaka Kahn I think of you and laugh. You always loved to make people laugh. You had a heart of gold and will be missed.
