

Brett C. Henson

May 28, 2021

Brett Charles Henson, 30, of Herndon, VA, died May 28, 2021 peacefully at home.

He was preceded in death by his mother, Susan, his grandfather, Charles and his grandmothers, Zelma and Margaret.

Brett will continued to be remembered by his father, Gary (Emily); sisters, Tara, Heather (Janet) and Alana (Nathan). Granddaddy, Billy; Uncle, Keith (Pam); 2 nieces and 5 nephews.

Brett completed his bachelor's degree at Virginia Tech in 2012. He went on to earn his law degree at the University of Oregon in 2015. After living in the Pacific Northwest for a few years, he returned home to the Northern Virginia area to be closer to family and friends.

Brett had a love for his Virginia Tech Hokies and Oregon Ducks. He enjoyed traveling to new places and never met a stranger. His smile was contagious and people naturally gravitated towards him due to his infectious laughter and naturally outgoing personality. He kept people rolling in laughter because he could find humor in the most mundane life circumstances.

The celebration of Brett's life will be held this Saturday 6/5 beginning at 2:00

with a visitation and the service at 3:00 at Miller Funeral Home (3200 Golansky Blvd, Woodbridge, VA 22192).

In true Brett fashion, many of us will be wearing some of his favorite things. So please feel free to wear Virginia Tech (orange and maroon), Oregon (yellow and green), red / white / blue, anything rainbow or whatever makes you feel comfortable. Brett wouldn't want to feel stuffy as he was way too full of life!

In lieu of flowers the family asks that donations be made to the American heart Association in Bretts name. <https://www.heart.org>

“ *Some of the sweet old memories that come to mind are Brett playing the tambourine while his Dad's band played Tambourine Man. Him fainting in the middle of our wedding ceremony. Laughing and quoting his favorite tv shows. Razzing his Uncle Keith about the Washington Football Team. How much it meant to his Grandparents that he always called and kept in touch with them while he was away at school. And, of course, all the holidays and birthdays through the years; surrounded by His loving family. It will never be the same without you, Brett. Rest Peacefully. Until We're Together Again. Love, Aunt Pam* 💕

“ *Brett was always so kind and gracious to me. We bonded over a love of trivia, and within the last few years we traded many political observations; his were always keener and more insightful than mine! He was so smart, and so full of love for his family, his friends, and his country. One of my favorite memories of Brett will always be the time he and I took over the dance floor as Love Shack played at at his sister Alana's wedding. Those are the kinds of memories I will always cherish.*

“ *Brett had a genuine love for everyone he met & you immediately became his friend for life. Too often we measure a person's worth by the fame or fortune they achieve in their lifetime. I have always judged a person's worth by their ability to make someone else's life just a little better with love and laughter. Brett excelled at this like no other person I've ever known. I am so proud of him. The memory of his smile and laughter will never fade from my heart.*

I love you, Son!

“ I remember how Brett used to wake all of us up in the morning! He was about 3 and would get right in your face and say are you up?! I will never forget that little voice waking me up. Also when he was 4 he carried some of his birthday present up to my bed (the top bunk bed) on Heather and I's room. I walked into our room hearing this little voice singing Happy Birthday to me and Brett was opening his presents 🤔😂
