

Cerina Wanzer Fairfax

April 16, 2026

Dr. Cerina Wanzer Fairfax, DDS, 49, of Fairfax Virginia, died April 16th, 2026 at her home.

She was raised in Woodbridge, Virginia. Cerina graduated with honors from Woodbridge High School in 1995. She continued her undergraduate education and received her Bachelor's Degree from Duke University in 1999. She then continued onto Virginia Commonwealth University where she pursued her passion to support others by obtaining her Doctor of Dental Surgery (DDS).

For nearly two decades, Cerina was a pillar of her community, building relationships both personally and professionally. She was a volunteer volleyball coach, an animal lover, an avid gardner and a huge fan of DIY projects. She founded Fairfax Dentistry and Associates, in Annandale, Virginia in 2007. There, her patients received not only the care they needed, but more so, the friendship they came to know and love.

While doing all of this, her heart belonged to her two children. They were the center of her life and the drive behind every decision she made. Her passion was to create a happy life for them and provide them with every opportunity to succeed.

She and her family are members of St. Ambrose Catholic Church.

Dr. Fairfax is survived by her children, Cameron and Carys, her mother Conchita Wanzer-Clark, her father Kevin Pope, her stepfather Sidney Clark, Jr., her brother Kevin Pope and her two sisters Arisce Wanzer and Dawn Cook.

The family asks for privacy as services will be held privately.

“ To the family of the dearly departed,

May Dr. Cerina Fairfax rest in love and peace. Her life was a true reflection of service, and the care she gave so freely was rooted in her calling and passion. She will always be remembered for her kindness, her deep compassion for others, and the way she made people feel seen, heard, valued, and cared for.

She held a deep respect for caregivers and for those who advocate for individuals with disabilities. I will keep your family in my prayers, and to her children—your mother’s legacy will continue to live on through all the lives she touched.

God bless.

“ Cerina moved through my life like a quiet constellation—always present—woven into my successes without ever asking for recognition and perhaps never knowing the full impact she had.

We began as classmates, learning side by side, a group of friends who carried one another through long nights of studying and early mornings of work. Later, as colleagues, we shared the weight of responsibility and the joy of small victories.

When I first imagined opening a business, she was the one who encouraged me to believe it was possible. Her advice, her confidence, her success and her steady support helped me take that leap. I still hear her voice in the decisions I made, and her kindness continues to shape who I am.

Cerina was a blessing; Losing her leaves an echo that will never fade.

Keeping your family in my prayers for comfort and strength.

You will be missed. Sleep well my friend ❤️

“ *Dr. Cerina Fairfax was one of the most amazing women I have known as a dentist and as a human being. This is a tragedy beyond words for me. I had been a patient for over 10 years. Words cannot express the sadness and grief I feel in losing not only my medical practitioner but a woman who gave so much. I am describing her as Angelic because truly that is how she presented. I could never have imagined her life would end in such a tragic manner. May God be with her children and family as they navigate the way forward. I will always cherish the care and the memories of our many discussions on America now. May she Rest in Peace and in the Power she had to soothe the most anxious dental patients who landed in her chair. With me being one of those. I will Carry her in my heart always.*

*It is truly difficult to find words to express the sorrow felt but I am truly trusting God to wrap his arms of care through the Holy Spirit to sustain her family and her children. I pray that her children will sustain the mental and emotional capacity to help them become productive and successful individuals in life to honor her legacy. As an educator, I am thinking of them. As a Pastor, I am prayerful for them. Prayerfully.
