“ *I worked with Charlene for many years at DIA, she was a nice person and lived her kids and her cats. I'm so sorry to hear about her passing, and I hope her family took her cats because they really meant the world to her.*

“ It has been a very sad few days with the passing of Charlene. She has been in pain and disabled especially this past year. This time is difficult because she’s been our Next Door Neighbor Since 1985.

We have shared many years just by being Next Door. Her love Buddy and Alicia had to be the happiest time especially Alicias wedding, her son-in-law and her Grandson’s. She loved her “Hobby” when she and Alicia spent Many weekends at her pageants.

Charlene’s life was also dedicated to her cats That gave her much joy. I recently got a Little dog, Belle who also put a great big smile on her face.

We have a quiet neighborhood and didn’t see each other Especially the winters. Waving as a car went by was our socializing, it was our little safe community.

I’m hoping and praying Charlene is in peace and out of pain. The celebration is taking place with Buddy and family.

I’m happy to have had you “next door” all of these years, we will miss you, Love 🌹🌹🌹🌹
