“ *Such beautiful and amazing pictures. Your mom was so beautiful. Love the picture of when she was young!! She was a wonderful woman. I have such great memories with her. Dustin and I had so much fun the day we went to DC with her. I will never forget the day she made the huge Japanese dinner for us all. It was the best. Of course, I could go on forever. Such a loved and cherished woman, Momma, wife, friend and just a wonderful person. My heart breaks with you still and always. Rest in peace beautiful Cheicko.*

It was a pleasure practicing Buddhism with Chieko. I loved her laughter and joyful spirit. She always shared pictures of our activities in SGI with me. I share in the sorrow of her passing with her family. Wendy Hill
