

Christa Lewis

March 18, 2023

Christa Lewis, 83, recently of Dumfries, VA, died on March 18, 2023. She was born in Germany but throughout her adult life, she lived there as well as in Louisiana, Minnesota, Georgia, upstate New York and Tennessee before settling in Virginia.

Christa was a force of nature who left a lasting impression on most anyone she met. She was many things to many people. Christa was a Registered Nurse by profession and she gave everything she had to any patient in her care. Friends to many, she always wanted to make sure they had a reason to smile. As a mother to son Narlin and daughter Tina, she was always willing to give whatever she could to her children; be it advise, refuge, or love. To some, she was a gardener with an awesome green thumb and Christa never hesitated to provide advice to those who asked, or needed it. Christa was also a passionate friend of animals. Not only did she own and spoil many cats and dogs throughout her life, she donated to multiple animal charities. Christa also donated to various veterans, police, and fire fighter charities. She enjoyed sharing her wisdom and no one was spared her wicked sense of humor and sharp wit, which she had in spades.

Christa was preceded in death by her parents Herman Mink and Anna Maria (Kohlmann) Mink, her husband Narlin L. C. Lewis, and her son Narlin H. Lewis.

She's survived by her daughter Tina Provencio and son-in-law Louis Provencio of Dumfries, as well as her grandson Justin Lewis of Georgia.

Christa requested that no service be held. She was cremated on 28 March, 2023. Christa's ashes will be buried with her husband, Narlin L. C. Lewis, a retired Army NCO and Vietnam Veteran, at Chattanooga National Cemetery.

She will be sorely missed by all her surviving family and friends.
