“ I grew up with Chris in school, through elementary, middle, and high school. We shared many classes together but my strongest memories come from our art classes. Chris is an incredibly talented artist and I remember being sad when he said he wanted to transfer back to Woodbridge after coming with us to Colgan that year. Despite choosing a different path we all respected and loved Chris for being a calm and honest friend. Image from WSHS freshman year 2015 in Mr.Rozelle’s class

“ My most sincerest sympathies go to your dad, mom and sister as they're coping with this enormous loss that took us not only by shock, but a deep sorrow that we're unable to fully express due to the fact that you're gone way too soon! It is my hope that with time, your family can take comfort in the joyful memories that you've shared and feel uplifted by your love whenever they think of you. I pray that God covers them as they grieve and provides them with the strength and courage they need to go through this difficult time. We may not fully or ever understand why you're gone, but I hope that you watch over your family and Rest in Peace in the Great Beyond.

“ Dear Johnny, I am truly and sincerely sorry for your loss; I can't imagine how painful it is to lose a loved one specially a son. There are certainly no words I can think of to console you but know that others care and I hope this brings you comfort. Que le concert des anges l'accompagne dans son sommeil 🙏🙏
