“ We lived across from The McCain's for just over 11 years and have MANY wonderful memories of Mac and the whole family, who ..... became family. He had so many great stories and was always willing to share them. We had many laughs and he smiled and laughed easily. We did dinners together frequently, but never enough. We loved you Mac, but will hold all of our memories in our hearts ..... until we meet again. Dave said to pet Rocky for him and that he's sure he was there to greet you. XO XO
