“ *I am deeply saddened by the passing of Cyndy. We were classmates at Garfield High School, and I will always cherish the fond memories of those days together. She was a devoted dog mom who loved animals, especially her dogs, and that love was such a special part of who she was. Though I did not know you personally, please accept my heartfelt condolences. May her warmth, kindness, and love for animals continue to live on in the hearts of all who knew her.*

“ *Cyndy will be missed so much. I remember 20+ years ago meeting her when she adopted her very first dog from us and she stayed in active (volunteer) for many years after. Cinde was a voice to be reckoned with for sure when it came to animals. I truly believe she would've taken a bullet for one of them. I'll miss our political talks. I will always admire the love that Cyndy and John had and what a good caretaker he was Cinde will miss you so much.*

“ I've known Cyndy from our volunteer days with PAL. She gave so much to the animals in our care, helping them find homes, walking dogs at adoption events, and countless hours behind the scenes creating adoption forms and websites, doing home visits. She was never afraid to take on a challenge if it meant giving hope and happiness to one of the many critters she cared for. She'll be missed.
