“ I met Debbie in the early 1970's. She had the biggest heart and easy to sharr life with. Debbie was always there for you. I will never forget the look on her face when her Dad sang to her at her and Chris' wedding reception. The only thing Debbie never learned how to do, was walk in platform shoes!

I met Debbie in 1975 when I was 8 months pregnant, and her boss hired me! We had some good times working together, along with Bonnie & Diane. Besides being so nice and kind hearted, Debbie was also very giving. I remember how she always dressed very fashionably ... and how every outfit had matching earrings, shoes, & purse. Although it's been several years since I spoken to Debbie, I've thought of her often. Love and prayers to the family during this difficult time. Debbie will be missed. Until we meet again.
