

Debra Lesko

September 1, 2025

Debra (Debbie) Ann DeFreitas Lesko passed away on September 1, 2025 surrounded by loved ones in Woodbridge, Virginia at the too-soon age of 69.

Born on June 20, 1956, Debbie was the third of four children growing up in Lowell, Massachusetts raised by the late Joseph Daniel DeFreitas and Jeanne Rita Cayer DeFreitas.

From Lowell High School, to Middlesex Community College, and then George Mason University, Debbie applied her wit and tenacity to graduate with a Bachelor's Degree in Criminal Justice.

After graduating, Debbie was hired by the U.S. Department of Treasury, and during her tenure, she had the honor of being personally thanked by the President for her work in the wake of 9/11. In 2021, she retired as a Supervisory Intelligence Research Specialist of the Financial Crimes Enforcement Network, as part of a 31-year career dedicated to public service.

But more than anything, Debbie was dedicated to her two children, Jonathan and Kelsey. She taught them to be independent and true to their authentic selves. She was happy to see her kids to make their own path in the world. She was a proud Mama.

Debbie was a fun-loving person who drew people in. Never a wallflower, she was the first on the dance floor and often the last to leave. She truly lived her life to the fullest, always making plans to travel and see family and friends, keeping a vibrant social calendar. She was charming and fashionable and people wanted to be in her orbit. Her smile could light up a room, she was easy to love. She is easy to miss.

She is survived by her siblings, Patricia Lysik, David DeFreitas, and Doreen Kiley; her children, Jonathan David Lesko and Kelsey Ann Lesko; and her boyfriend, Steve Randall, as well as many loving nieces, nephews, cousins, and friends.

A Celebration of Life will take place in Northern Virginia, location and date to be determined soon.

“ I have so many memories of Deb. She was so cool, my cousin, always styling and willing to let us have some fun when she babysat us. I remember one weekend when she took us while our parents were away. She let us have friends over and got us pizza. The next morning she had coffee and had us fill her in on everything we did. There were the years mom and Deb were in TOPS, we saw her every week. I can hear her voice as clear as day, always lifted in a smile. Deb was that a big smile, friendly to everyone and always willing to hear your story. I am so sad, so angry, so shocked.
