“*Dianna was my neighbor for 10 years. She was the first friendly face to greet me when I moved in. As the years passed, she just became another member of our family. When she did not see us for an extended period of time, she would call to make sure that we were ok or I would hear a voice from upstairs say “Where have you been” as I got out of the car. On the day that I moved out, I went to visit her. We gave each other the biggest hug and said how much we loved one another. Our family will forever cherish the memories of her and the time we spent together. We will always love you Dee! May you Rest in Peace!*”
