“ *So sorry Ebony is gone. I remember both she and her sister, Sonya, when I visited my Aunt Gladys and Uncle Harry on my way to Army AIT after my basic training stint in NJ, around winter, 1986. You both were little at the time, but I so enjoyed meeting my precious little cousins! I heard this awful news from my Dad, your Uncle Eddie. Please know my heart is so regretting not keeping in touch with both you girls. Blessings to you all, my dear family.*

“ *Ebony was such a sweet person it would have been hard not to love her. I'll always remember her smile and laugh and all the little sayings we said to make everyone laugh at our silly jokes. She was a daughter, sister, friend, mother and now an Angel who will always be with us forever in our hearts.*
