“ *To our dear brother-in-law and traveling buddy; we have such marvelous memories of our amazing traveling experiences to so many countries. We will always cherish them- from our performances on the cruise ships, visiting Italy, to speedy canal boat rides in Costa Rica and Thailand as well as the mountains we climbed in Denver, to the interesting airbases that you made possible for us to stay- what fun and laughter we experienced.*

We will always remember you favorite saying.....What are you talking about Willis!

You will always be in our hearts

THANKS FOR THE MEMORIES!!!

“ *I feel blessed to have known such a wonderful person. To a true patriarch, you will be missed my friend. Family first, Family last, you always made the time and brought out the smiles. Today we cry for ourselves, tomorrow we will laugh and smile when we think of how lucky we are to have had you in our lives and the wonderful memories you have left.*
