“ To the family of John LeCompte from Sharon Durham: I remember Edwin John LeCompte. He was my neighbor for several years when both our families lived right next door to each other. He and his family routinely brought people together to share good times. He was always a gracious host with wit and a sense of humor. He was a veteran of life as well as a veteran of the US Army. He enjoyed sharing his many memories of family and past experiences. He was thoughtful and always tried to do what he thought was right in all situations he encountered. He was a good man gone too soon. He will be missed.

“ To Ed’s family and close friends, I am so very sorry for your loss, and to everyone in his neighborhood who will surely miss his constant friendly smile and warm caring nature. I was fortunate to have known Ed as a neighbor from the time I moved to Virginia in 2016. He was so eager to talk about his wonderful life, filled with beautiful memories from his younger years with his wife and family members, their beloved dogs, his days spent in the sweltering heat overseas and how that prepared him to work outdoors helping to build the neighborhoods in Dale City. You see, Ed was that rare, and quickly disappearing member of The Greatest Generation who selflessly dedicated his life to making a better World for all of us; these are just a few great memories that I was able to store away in the short 7 years of brief, occasional conversations we had - precious memories indeed. For people in our lives who are like Ed, we are all richer, not monetarily, but the wealth that transcends all understanding, and hopefully we have the opportunity to bestow our immense gratitude during this short life we are given. God speed to my friend Ed ! May he rest in peace, and may his memory be a blessing.
