“ *Dear Kathy, Rob, and John,*

I'm so sorry to hear about the loss of Elizabeth. Such a shock. I have been trying to locate Kathy for my mother Ann Carr-she has been thinking of her for quite sometime now. I mentioned this to Mimi McCarthy from our old neighborhood on Adrienne Drive. She then googled Elizabeth for me and that's how I found out. Please give our condolences to everyone. I know my mother would love to contact Kathy. If she wants to send her address to me I can forward it to my mother. My name is Cathy Carr Aguiar and I can be found on facebook. The picture is of me and my husband with our dog at the top of a mountain in NH. Again, I am so sorry for your loss-it must be so devastating!

*Sincerely,
Cathy Carr Aguiar*

“ Elizabeth was the best friend I ever had. We had over thirty years together into which we packed enough adventures for 2 lifetimes; I cherish each and every one of them! The best way I can pay tribute to Liz is to share some things about her that made her so special.

First of all, she was funny!! We laughed at everything; just one look between us and we could break out laughing. Talk about smart, Liz could solve any problem if she putting her mind to it. No one could ever question her loyalty to family and friends. Her family came first and foremost and she had a fierce love for each and every one of them. I was so lucky to have had her loyalty.

As a Realtor for Weichert, Realtors, Elizabeth was an incredibly committed advocate for her clients, turning many of them into friends. She also earned the respect of many of her colleagues.

Liz leaves behind Annabelle, her beautiful blue-eyed husky. She so loved dogs. Some of the other special dogs in her life included Ladybug, Scamp, Daisy, Lucy, Hope, and Grace.

There are many other things I will always remember about Elizabeth: She was a huge Washington Capitals fan; I am so happy that she got to see them win the cup! Her favorite color was purple, she only wore 100% cotton, and always had to have a "beverage" with her. She was nosy and could interrogate any stranger without them realizing it. The beach at Nag's Head, North Carolina was her favorite place and we went there together more times than I can count. On the way there, she insisted we play the "Famous Person Game". Despite the fact that they didn't agree with her, Liz loved popcorn and chips. I will always be grateful that she actually officiated at my mother's graveside service and did a great job. No matter who cut her hair, she always went home to cut more in order to "fix it".

Bob and I send our heartfelt condolences and love to Elizabeth's entire family.

I love her so very much and her loss is impossible to fathom. I am so thankful to have these memories and thousands more. She will always be a part of me, deep in my heart.

“ *Prayers and condolences to the families during g this difficult time. I've been friends with Liz since 9th grade and beyond and have many, many happy and wonderful memories. She loved life and it was taken from her too soon. Her laugh and sense of humor will never be forgotten. Rest In Peace, dear friend. My heart is broken.*

“ *Sending love and prayers to the Fischer family and to Lesley and her family during this sad time. Liz, I will miss you forever my dearest friend. We had a great history beginning in 9th grade and continued to be best friends for the next 46 years. We had such great times and memorable moments (several at the beach!) and I already miss our late night chats and texts. Love you BBFA xoxo*
