“ *Hey cousin, the first time you came to my house it was love at first sight. You were helping me with food after my fathers funeral. What a time to meet all family. You took over like you lived here. Jumped right in and wasn't afraid to ask for whatever ever you needed. She ask my son for something he told her I don't know where that would be. She yelled at him. (Funny way) and said we'll you live here I don't. We all loved her every since. Set hi to all the family. That one you yelled at is in heaven with you.. hug Bobbie*
