“ I'll never be able to say how much I appreciated and admired this special man. I loved singing and fellowshiping with him on a regular basis for many years. I've thought and p-rayed for him often. Happily we will have more experiences in the perfection of heaven soon enough. Meanwhile, may God send His richest blessings of comfort and love to Arlene and the whole family. What great people the Lord has privileged my family and I to know! Miss ya Good Buddy---see ya around! I'll be here a bit longer.
