“ Evelyn was a very nice lady. I will always remember her smile and her genuine kindness. She was a very compassionate person. About 6 years ago I was going through some tough times and she helped me out in a big way. I will never forget that. She told me when she saw me at different times, that she was praying for me and I believed her. We both shared similar faiths in Christ. Look forward to seeing her in heaven.

“ Evelyn was simply a pleasure to know and one of those people who leave a distinctly positive impact on everyone around them. She was a leader; highly-intelligent and hard-working but she was also graceful, compassionate and had a wonderful sense of humor. She inspired people to be better professionals and human beings. I will miss her and am grateful for the chance to know her. My families thoughts are with her and her family, of which she was so very proud. My deepest condolences.

“ *Ms. Mahieu was extremely kind and gentle which made her unique! She was always very nice and so cordial as well as attentive anytime we spoke. We will miss you Evelyn!*

Thank you so much for being such a positive influence and for all that you helped us with!

She is in a much better place, at peace with God in heaven! Amen!

“ Sincere and deepest sympathies to Jean-Pol, Alex, Valerie and ALL of Evelyn's family - The first time I met Evelyn, the passage Matthew 5.16 came to my mind. She had an incredible light within her that she used to make this world a better place and unashamedly give God glory for his grace and mercy. She has been an incredible example of living life to the greater good in every area of life and being joy filled regardless of any circumstance in her life. She will be greatly missed here in our physical lives, but her legacy and impact continues to live on.

“ A Hopi Prayer

*Do not stand at my grave and weep;
I am not there, I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you awaken in the mornings's hush
I am the swift uplifting rush
of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry;
I am not there, I did not die.
- Mary E. Frye -*

I will always admire Evelyn for her grace and grit in how she approached her illness. She was one of the strongest people I have ever met. She was my inspiration in how I dealt with my own cancer. I will be forever grateful for her personal example and the strength she gave me without ever knowing it.

*Sending my deepest condolences,

“ Dr. Evelyn Mahieu will be remembered as a dedicated and caring professional within the work place. She clearly left her mark on the Service Authority in her nearly decade of service. She brought her skills to bear at the PWC Service Authority as Chief Operations Officer, and as our regulatory compliance officer, she exercised leadership and stewardship over all our operations, garnering national accolades and recognition for excellence. We are proud of her accomplishments and legacy of excellence, but we will miss her as a caring human being, her professional manner, her warm presence and her beautiful smile. Her contributions leave a lasting legacy at the Service Authority and for the citizens of Prince William County.

We are consoled that Evelyn was at peace with her husband, Jean-Pol at her side. May she rest in peace knowing that she truly left this world in a better place. She will be missed and remembered by those who were privileged to know her.

With much sympathy to the family.

K. Jack Kooyoomjian, Ph.D.
Chairman, PWCSA Board of Directors

“ Evelyn was, and forever will be, proof that vulnerability and strength need not be mutually exclusive. The opportunities she gave me to learn and develop in the light of her wisdom and her benevolence is a gift I will always treasure.

K. Howell - June 07, 2020 at 06:07 PM

PA

“ The passing of our beloved Prince William County Service Authority colleague, Dr. Evelyn Mahieu, fills our hearts with sorrow. We take comfort, however, in the certainty that her legacy of remarkable leadership and professional excellence will endure.

In May 2020, our Board of Directors voted to honor Evelyn’s unwavering commitment to the health of the public and the environment by naming the Service Authority’s laboratory the “Dr. Evelyn Mahieu Environmental Laboratory.”

Throughout her distinguished career at the Service Authority, Evelyn’s intellect, diligence, courage, enthusiasm, humility, fairness, compassion, and affinity for joy and laughter earned her the admiration and respect of her staff, colleagues and industry peers.

“You cannot hope to build a better world without improving the individuals. To that end, each of us must work for his own improvement and, at the same time, share a general responsibility for all humanity, our particular duty being to aid those to whom we think we can be most useful.” – Dr. Marie Curie, Nobel Prize Winner in Physics (1903) and Chemistry (1911)

“ Dr. Evelyn will be missed, I admired her strength and courage. I want to thank her for giving me a chance with my doctoral project, when many others have turned me down. My last text message to her, was that I won't let her down and I will continue on with my degree. I send my sincere condolences to her family and friends.

Dr. Evelyn was an admirable person who in the face of challenges remained positive till the end. I salute your courage and the smiles you put on so many faces during your sojourn on earth. You were a humble and caring leader. I want to thank you for your support and advice and also responding to our last exchange of message. I will miss you.
To your family and friends, I wish a sincere condolence.
ADIEU EVELYN.

Evelyn was dedicated to making our world and the environment a better place. She brought an intensity to her work that inspired all of us who knew her - all with an infectious laugh and and a love for all around her. My sincere condolences to Jon Paul and all her family. Hasta nos vemos, amiga mia.
