“ We met Frank and Anna when we moved to the neighborhood in 1979. Frank and my husband worked at USCGH and our daughters became friends with Analiese. We admired Frank and all of his talents and his love for his family and friends. We also enjoyed his fig delicacies. May all of you find comfort and peace in the precious memories we are sure you all have to honor him.

“ What a lively legacy Frank leaves behind in his family. May his memory and love remain a flame within each heart. You and he have been and continue in my prayers from All Saints' Church.

“ I will always cherish the walking stick you carved for me so many years ago. You were so very talented. I enjoyed hearing the stories of your life. You always had a kind word and smile on your face for everyone. I will miss you my friend. Until we meet again, rest in peace
