Tribute Wall

“ I will always remember Fred and Vivian as we had some good times together. I met Vivian at Roy Roger we both were cashiers there. Later we introduced our husbands and we just hit it off and bonded. This was in the 80's and all our children was young and in school. I am sending our prayers and condolences even though I am feeling this void also. I still miss Vivian and all the good times we had together, and now Fred. The memories will always be a part of me and my family. Bostick Family we love you all.
