“ My condolences and prayers are with Gary's wife, mother and the rest of the White family. Gary was a competitor on the basketball courts of Bailey's Community Center where he challenged us younger guys throughout our high school and college years not only to become better players, but to become better men. May God keep this family during their time of bereavement and may your family love, honor, and hold each other closely. God bless! Darrius Fenton

“ *To the White family,*

Gary's infectious smile and warm soul will forever be remembered. As you go through life without his physical being, may the love he had for each of you be the strength you need to continue on.

“ *Ralph, I am going to miss drinking cold beer and listening to James Brown and oldies with you. I have been calling you Ralph most of our life and you calling me Snickapoo. Only family and close friends know our nicknames.*

“ *My name is Nelson, I met and worked with Gary at Fairfax county soldwaste. He was a pleasure to work with. Very quiet and learned fast. I trained him on the crane. Hard worker no doubt. We often talked about drag racing and would meet up at Old Dominion Speedway before it closed. His love for the skins was great. He would talk trash to the boys at work. G you gone but just know your touch many of us while working at Newington.*
