

George Clayton Treloar

June 16, 2021

Chief Master Sergeant (Ret), George C. Treloar, a proud veteran of the United States Air Force, passed away on June 16, 2021.

The son of Ruth Wyatt & George J. Treloar, was born on July 20, 1962 in Philadelphia, PA. George spent most of his youth in Levittown, PA where he graduated from Delhaas High School in 1980.

At the age of 19, George enlisted in the United States Air Force. He valued his service highly and attained the rank of Chief Master Sergeant. George was awarded the Meritorious Service Medal, Joint Service Commendation Medal, Air Force Commendation Medal, Air Force Achievement Medal and various campaign and unit awards. After retiring from the military he began his post military career working for DLA Energy. George took great pride in his career and possessed a wealth of knowledge within his field.

George was very much into health and fitness and had been working out since joining the military. What George loved most of all though was spending time with his grandchildren whenever possible. George was not your average grandfather. He would play basketball with his grandkids and drive around in his car, listening to their favorite songs with the volume turned all the way up. He will be greatly missed by them as well as anyone else whose life he

touched.

George C. Treloar was survived by his 3 sons, Christopher and his wife Jenny, Joshua and Dakota; his 7 grandchildren, Sarina, Caleb, Riley, Channing, Peyton, Chase and Davina; his mother, Ruth Wyatt; his siblings, Deborah Kovacic and Russel Treloar; and his former wife Angelique Treloar. He is preceded in death by his father George Treloar.

A service honoring the life of George C. Treloar, will be held at Miller Funeral Home, 3200 Golansky, blvd, Woodbridge, VA 22192 from 1pm to 3pm on Saturday, July 3, 2021.

“ *George was my Uncle. But he wasn't just my Uncle. He was my friend and a man I always looked up to. He was a dedicated father & grandfather, son, brother and Uncle. His family was everything to him. He was a hard worker but was never too busy for his family. He will be missed and was taken away from us all way to soon.*

“ I worked with George from 2009 through 2012 at DLA Energy Middle East. We often traveled together to numerous storage facilities, ship loadings/off loadings, and for contractor visits. George and I shared many of the same interests and we quickly became best friends. We kept in touch after leaving the Middle East and even met in State College for a few hours to catch up and keep current. George I miss you but we will meet again someday on the high ground. To the Treloar Family, I send my sincere condolences for your loss and I will keep you in my prayers during this difficult time.

“ *George was my Fuels Manager at Yokota and I credit him with teaching me the ins and outs of POL. He was a great leader who knew his stuff and cared for his people. We used to tease him that he was really a Marine in Air Force clothing 😊. He will be greatly missed!*
