“ *Jerry, you will be deeply missed. You had a heart of gold and would try to help if you could. I can hear you now screaming at the T.V. during the Redskins Games, and cheering them on. You loved Dale Earnhardt and you were crushed when he passed unexpectedly. I posted these 2 photos because Momma had her boys with her. I know in my heart Momma was waiting for you with her arms wide open. Praying for your family and friends. Rest in Peace Jerry, until we see you again.*

“ Don't know what to say except my heart is broken with the loss of my brother. Never expected this to happen so soon. He was a die hard redskins fan and loved Nascar. Am really going to miss that saying he use to say all the time to me which was ooh, ah shucky ducky. Until we meet again, love you Brother.
