

## Geraldine Ann Belleci

January 24, 1952 - April 28, 2024

Geraldine Belleci, 72, of Woodbridge, VA passed away on Sunday, April 28. She is finally at peace after a lengthy illness.

Affectionately known as Geri, she was born in Carmel, California on January 24, 1952. Geri grew up in neighboring Monterey - in a close-knit Italian community - charished by extended family and friends. Upon graduation from Junipero Memorial Catholic High School, she continued to make Monterey her home, until she moved to Alexandria, Virginia in 1991. She spent most of her career working for State Farm Insurance. While living in Virginia, she met her husband, Neil Currence. After many years together, they were married in a private ceremony in November 2022. Neil will miss her constant love, companionship, and support, but most of all her joyous laugh and sense of humor.

She was an avid reader, loved to play cards, watching cooking shows and movies. She was an animal lover, and most loved spending time with her friends.

Geri is survived by her husband Neil Currence and adored dog Micky. She will be remembered fondly by her close friends including Terri and Allen Beach, Dan and Jim Carey, Pat Crifaci, Lynn Heinrichs, Melissa Ireland, and Roseanne Zeher. She leaves a sister Norma Jo Greenlee (joe); nieces and

nephews Shon Kanady, Ian Kanady, Gillyn Croog (Alex, Wyatt), Joseph Greenlee (Amy, Ella, Ethan), Bill Greenlee (Dasha, Greyson); Uncle Barney Belleci (Margaret). She is predeceased by her parents June and Billy Belleci, and her sister June Kanady.

She will be deeply missed, and our thoughts go out to all of those whose lives she touched.

Visitors will be received on Sunday, May 19, 2024, from 1:00pm to 3:00pm, followed by a service at 3pm at Miller's Funeral Home, 3200 Golansky Blvd., Woodbridge, Virginia 22192.

In lieu of flowers, the family is requesting donations be made to ASPCA or the Monterey Bay Aquarium.

“ Geri was my best friend growing up in Monterey. We lived a block away from each other, went to the same Catholic schools from kinder to graduation. We played jacks for hours, roller skated and ride our bikes all summer.

*I'm so happy she found love and a loving community of friends in Virginia.*

*Rest in peace, my dearest old friend. In my heart forever. My condolences to Neil, Norma Jo and all her family. Anna*

“ Geri and I met in 2015 through my business but she quickly became a friend. She was so down to earth and such a giving soul. Even when she was sick she was always trying to get referrals for me - even at the hospital! She would always make zucchini fries for us when I'd come over and we'd share what was going on in our lives at the time. I had just texted her the week before and it still doesn't seem real. The last time I saw her in typical giving fashion she gifted me an extra puzzle board as she knew that's what I did with my boys during the pandemic. I will miss you Geri. Rest in peace sweet lady...

“ Geri was my number one sister in law. I am so glad she was a part of our family. Even though we lived miles apart she had a way of making you feel special. I always knew that she took good care of my brother and her adorable dog, Micky. She will be deeply missed and her memory will continue to be a light in this world for her family and many friends. “ Geri was my best friend and I will miss her dearly. We have known each other since 1999 when I first moved to Springfield Virginia. She always had advice and most of the time she was always right. I sit now waiting to pick up the phone and call her. My heart is truly broken and there’s no one in this world that will ever replace our friendship. Rest in peace, my dear friend. I will never stop thinking about you.

Gerri and I were best friends growing up in Monterey. We give 1 block from each other and spent our childhood riding bikes, skating and playing jacks. We were in kindergarten to graduation together and she was the funniest person I knew. She loved to laugh and was very popular and loved among our friends. I’m so happy she found a loving place in Virginia with Neil. I already miss our long extended texts and catch up phone calls. I’m so sad for all of us who no longer have our dear, dear girl. Rest in peace, Gerri. My love is with you always.
