“ *Prayers for the entire family. Such a great loss for those left here, but as they say, to be absent from the body is to be present with the Lord.
God bless her and the family.*

“ *Over the past ten plus years, I have seen Ginny, at least once a week. Never did I see her without a smile and a kind word or funny story. News of her passing caught me by surprise and I find myself thinking of her and laughing.....I think that's what she'd want. My condolences go out to her husband, sons, and grandchildren for the loss of an irreplaceable light in what, I am sure, will seem a minimal existence for quiet some time.
I will miss her dearly! Shannon Lucas*

“ Ginny and I have been very good friends since our school days. Although we were miles apart after she moved to Virginia, we were close at heart. ❤️ She will be missed more than words can express. May God wrap His loving arms around the entire family, comfort them and give them a sense of peace. I join you in holding onto those precious memories.
