“ *Carla,*

Our sincere condolences on the passing of your Mom. I know only too well the heart ache that you are going through we are here for you every step of the way. Our friendship has grown so much through the roads that we have traveled with our parents living away from us, you have helped me so much and just know we are here for you as well. May your Mom rest in peace and embrace what I imagine heaven to be like. We will toast to her when you get home. Travel safe our beautiful friend, love you. Janet and Scott

“ Always in our hearts
Always on my mind, forever in my heart
You'll be with me forever
Gone yet not forgotten
May the winds of heaven blow softly and
whisper in your ear
How much we love and miss you especially your family and wish
that you were here
You may be gone from our sight but you are never gone from our
hearts.
Death leaves a heartache no one can heal
Love leaves a memory no one can steal
Your life was a blessing, your memory a treasure
You are loved beyond words and missed beyond measure.
We will hold you in my heart until We can hold you again in heaven
The best is yet to come.

Years spent with Gloria as affectionately called by all its like
decades
Taking care of you was privilege and honor Gloria.
Rest well mummy❤️🔥💜❤️🔥
Rest in bosom of the Lord Miss Gloria Beddingfield.
