GOLDIE BOOTH, Woodbridge, VA
October 22, 1931 – March 8, 2022

On Tuesday, March 8 at 4:19, we had a very light tap on our front door. A beautiful angelic soul entered. He walked directly to our mother with his outstretched arms. He wrapped them around her and lifted her up. Her fear was gone. Her weakness and pain were gone. As He took her away, we all smiled. How lucky she is to be personally escorted through the Gates of Heaven by our God. We watched our mom smile with such relief in knowing that she is entering Heaven. She is met by my dad, her mom and dad, many siblings, my nephew Matthew, little Michael, and her friend MG.

Goldie is survived by her five children – Trudy Booth of Woodbridge, Rick Booth (Jackie) of Woodbridge, Guy Booth (Dawn) of King George, Kenny Booth (Andrea) of Woodbridge, and Steven Booth (Peggy) of Woodbridge. She has nine grandchildren – Michael Booth (Sunshine), Amy Lucks (Chris), Laura Booth, Becky Cooper (Andy), Jeremy Booth (Jamie), Casey Booth, Adam Booth, Austin Booth, and Brandy Saunders. She was blessed with sixteen great-grandchildren, and two great-great grandchildren. Needless to say, holiday gatherings at the Booth house were quite the occasion. Love, laughter, hugs, and great food were always abundant.

She is preceded in death by her husband Guy Booth, who passed away thirty years ago. Gone but never forgotten in her heart. They will be interred together in Quantico Memorial Cemetery.

She also has lost three sisters and three brothers. Goldie is survived by two brothers -- Delmar Shifflett (Betty) of Spotsylvania and Mervin Shifflett of Dyke. She always did what she could to make sure that the family stayed close as it was important to her.

Goldie broke her hip on January 29, 2021. Recovery was quite the effort as light dementia caused some angst. One of her children or grandchildren were with her twenty-four hours a day from that date. In January 2022, she developed COVID, which was not a problem for her. The Covid medication did appear to speed her decline.

She was surrounded by many from her family when she passed at home. Her hands were held, and her bed was surrounded with unending love as she peacefully left us.

The family will have a private graveside ceremony next week and a Celebration of Life will take place in May. As Mom wanted no one to grieve, she specifically asked that we party for her and remember the pretty, sweet, kind, and giving lady that she was. And of course, who could forget that laugh, which was memorable!

Hallelujah Mom! You are born again. Until we all meet in Heaven, know that we love you to the moon and stars... and back. You will be missed immensely!

Aunt Goldie and her brother / my father Joe Shifflett, My father thought there was no other sister like my Aunt Goldie. .He loved her family as his own. My Aunt Goldie was a very special person to all who met her. I have many fun and caring memories about her . I have always tried to mock her lovely Christmas trees. They were decorated just perfect.Christmas time she'd always have a beautiful box wrapped for JoJo and I. My best memories of my childhood were spent with her and her family at Ocean City Beach Maryland. I can hear her and my father - now driving up to grandma Shifflett's road now.Just talking about their childhood in Bacon Holler.The laughter I'll never forget.The summers at Uncle Booths and Aunt Goldie house were amazing- swimming, eating crabs and a house full of kids!. A very stylish women-she was.She always called me "Linda" As, a women she always reminded me to never wear a belt and keep a bang on you forehead! She is and always will be our family's "Shinning Light" - tearfully I say I love you and heaven is perfect ...so you will be a lovely addition. You are a lovely rose in Heavens Garden.

“ One of the things that I liked being in Virginia were the good times with Goldie! Getting nails done, Thrift Shop shopping, eating out! We would take my dog and go to the creek and Goldie got such a kick out off her playing in the creek! All the lovely meals she prepared - The Fallway Cafe! Such a Great Lady & Decorator! House always done to the top with Holiday Decorations and Seasonal ones! She will be missed by all! So glad she is at peace now!

“ I will always have loved memories of Aunt Goldie. I always loved going to visit her and Uncle Booth when I was little. Even as I grew up and always seeing her at family functions or just meeting out for lunch with her and my grandmother. They always stayed in touch after my grandfather's passing. Aunt Goldie you will be missed by many and loved by all. Until we meet again at the gates of glory! I hear you even now saying “Tara Lynn, see you later!”
