*Grayson has such a beautiful spirit. The memories that I do have with Grayson are full of laughter and fun. Myself, Leif, Leif and Kyla are thinking about you in these difficult times and are wishing you hope in the midst of sorrow and comfort in the midst of pain. Grayson may be gone from your sight, but he will never be far from your hearts.*

“ We didn't share too many moments but during those few occasions Grayson, you were always a polite and seemingly caring young adult. You seemed to remain positive albeit of life's obstacles. I lost a brother a few years ago and can appreciate the void/loss of a young soul departing unexpectedly. I extend my family's deepest condolences, and when the family has had time to reflect personally and in their own way, I would like to personally extend it in person. Rest in Peace Grayson, and may your family find the strength to endure your loss.
