“ We offer sympathy and prayers to the family. Hank and Steva have been our neighbors for a long time. Hank liked collecting bright colored golf balls and giving them to the kids. He enjoyed sitting on his deck to watch the sunset, flowers , and wildlife. He had a pretty good run, he will be missed. The Oakes Family.

“ Hank joined our golf group several years ago. A welcome man for our group and he fit right in. He was a character, story teller and good listener. He loved looking for lost balls just about anywhere on the course. Probably the oldest among us, he held his own as we moved down the fairway.
We had several long phone conversations while he was in recovery, just to keep in touch and catch up on the other members of the group.
I'll miss him dearly, Rest in Peace my friend.
