

Ira Warren Wagreich

April 19, 2024

Ira Wagreich reached 75 years young then was called home to join his parents in heaven on the faithful day of April 19, 2024, due to a brain tumor.

An avid lover of history, chess and books, there was no point he couldn't converse. He was proud of his 15 year military career as an engineer and the other 30 years working for the military. He lived the way he wanted, taking pleasure in his family, old TV shows (mostly Westerns, like Have Gun, Will Travel), and computer games from the likes of Godfather to Civilization and Age of Empire.

His legacy thrives in his wife, three children and two grandchildren, as well as the lives of all those he touched.

An interment service will take place on Monday, May 3, 2024 at 10:30 a.m. at Quantico National Cemetery, 18424 Joplin Road, Triangle, VA 22172.
