“ *My Aunt was kind and generous to me throughout my life. Even though the miles kept us apart, Irene never forgot about me. I will always remember her behind the wheel of her little Corvair as we zoomed along the road from Rivesville to Fairmont on some adventure together when I was a boy, looking at me with the wind in her hair and a beautiful smile on her face...*

I will miss her dearly.

“ *I worked with Irene for many years. We were not only colleagues, but became good friends. She always joked that even though I was her boss, she would tell me what to do....and I always did!!! She was fun and the special needs kids became attached to her very quickly. She was caring and kind and her unconditional love made her a favorite with all the students. I will miss those days at Beville Middle School.*
