“ *Our deepest sympathy to Gwen and Jared for the loss of your Brother and Father! I have many fond memories of our youth and time together as cousins! Jack was not only smart but very witty and funny! He never was lost for a quick response or answer:) You always knew what he thought, and he made you smile with his humor! Although we drifted apart as adults I cherish all the time as kids we had together! Jared you were his pride and joy and I'm sure you will be rewarded for all the care you gave him!! He is now pain free and can RIP!! Love Bill & Sue Richter*

“ *Was a volunteer driver who took Jack to about 5 medical appointments.....We chatted often about his past ventures and shared a few laughs afterwards...*

*Despite his many ailments, he never complained but always seemed optimistic about his future.*

*I will truly miss being able to make his days a little brighter, the same way he did mine.*
