“ *To Becky and family, the words are still hard to come by. Jim was a great friend going all the way back to first grade at St. Marys. I'm reflecting on all the memories especially the sports. He was a true star and team mate. I'll also never forget being an altar boy with Jim back during the days of the Latin Mass when the bishop came to our church. Rest in peace brother.*

“ *Jim Sager was my best friend in high school. We played every sport together. We just recently reconnected and I was so happy then that we did. I am really happy now that he and I got to talk one last time.*

*He was a great and loyal friend. We get back to New Richmond from time to time and whenever we do we drive past Jim's old house.*

*Becky, I am so sorry for you that he is gone. I am sure he was as great a husband to you as he was a friend to me.*

*Please know that you and your family are in our prayers.*
