“ She was an amazing mom. I loved her a ton. Some of my favorite memories are watching her with Owen. She loved him so much. And spoiled him like only a Grammie could. I will miss you.

“ I enjoyed playing Words With Friends with JANET. She was so smart. We played for several years and I believe I only beat her about three times. The first time I did win you would have thought I won a million dollars. I'm really going to miss her and her intelligence. Rest In Peace JANET.

I am going to miss my sister. We shared so much with our phone calls and texts. Though we were miles apart, we were so close. Till we meet again.

I met Janet in the early 1990's at NAVSEA and we've been friends ever since. We've kept in touch via Facebook. I'm very sorry to hear of her passing. She was a lovely lady and we had some good times at work. Condolences to Al and the rest of her family.
