“ Lord, we lift Carla and her family to You. We ask for Your loving embrace to be their hugs while they grieve for Jason. As the family gathers and shares, let all their memories of him bring tears of happiness and even outright laughter. Lord, we know that even in times of loss, You love us and are with us. Give Carla and her family Your extra measure of peace. In Jesus name, amen.

“ Well, Jake is in a better place now, no longer in pain. To be comforted by Uppie, now she will have her Jakey.... he was one of her favorites. For the family and friends that he has left behind, we need to not be selfish and wish that he was still here. We need to open our hearts to the fact that he is no longer in pain and fighting a battle that he would not and did not win. I hope that your hearts will heal quickly and your memories last your life time. Jakey Poo I hope you are resting in peace now. May God's arms hold you tight. You will be missed!

Love you cousin -
