“ Todd was a longtime employee & fixture at EZ Cruz Marina. Even when he wasn't working there, him & Theresa would come down on the golf cart a couple times a day to take care of the cats around the marina. He was a skilled handyman & could fix & work on everything. He will be missed & our work days will never be the same without him💔 So sorry for his family's loss. Our thoughts & prayers are with you all🙏 Thankfully we have our memories. With my deepest sympathies, Sharon Jenkins

Todd Zollman was very helpful in the Towns Of Forest Hill development. He did several jobs at my house. I knew of him in Middle School and ran into him as an adult. He was helpful, as he was a Jack of all Trades. I would like to give my condolences to his fiancé and the family.
