As for the Cruz Family, we are deeply saddened from the news of Jennifer. She was a great person towards my mother at work & always helped her when she or anyone around needed it the most. She told us tons of memorable, great, anecdotes & as a son, I am torn of the news.

Thank you for helping my mom when nobody else wanted to & for stepping up when needed. We are sending condolences & prayers towards Jennifer's Family. God bless.

“ I am so glad I found this picture today. I thank Sharen Jennifer's best friend for helping me find it. This was the night I met Jennifer. I didn't know her long but once I did it was an Instant click. You had so much ahead of you mama and I know you would have achieved everything you were set on doing in your life. I was taught at a young age that when our loved ones die this isn't the end for them because God promises us that they can and will live again. Not in this world but in a beautiful paradise. I still hold on to this promise and I know I will see you again mama. I pray that I see you again in a better beautiful future. Love you always ❤️ - Beca

Sharon Calderon - August 03, 2022 at 05:31 PM

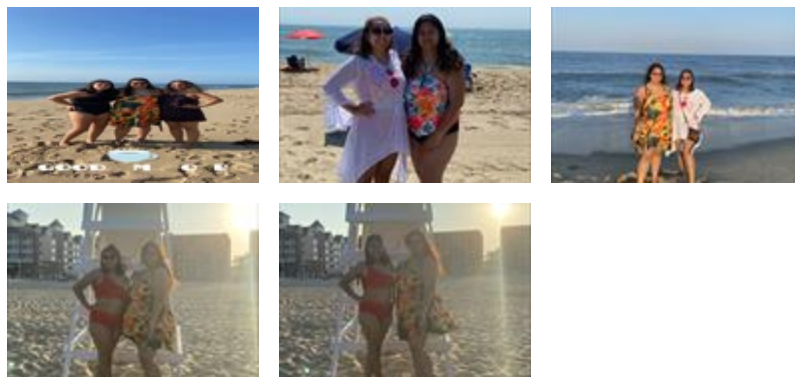

“ Thank you for being my one of my best friends / little sister. You were part of many chapters in my life since the day we met and I know i was in many of yours as well. You and I were always together trying our best to hang out. You were either with my family or I was with yours. You stood by me when I needed someone the most. I don't want this to be true but I know you are at peace flying around the world right now ☐. You are always going to be with me wherever I go and I know you will watch over me / everyone you were closest with. I love you Jennifer and I will always have you in my heart/ mind until we meet again. My sister from another mother

“ Me pesa saber que físicamente ya no estarás presente, pero me siento agradecida por haberte conocido. Aunque haya sido poco el tiempo, te convertiste en una gran amiga, me impulsaste a tomar riesgos que me acercaran a mis objetivos cuando a mi me faltaba valor. Sé que tenías muchos sueños que cumplir y tanto que ofrecer al mundo, pero la vida es así de incomprensible. A tu paso por ella, sé que así como impactaste mi vida positivamente, lo hiciste en la de muchas otras personas y por eso serás siempre recordada con cariño. Que descanses en Paz. 🌷

“ Jennifer how each day goes by & the fact that you’re gone! Tears me breaks me apart..!! You’re literally such an amazing person with such a kinda heart & soul ! When we were kids I met you at the water park you were alone & I decided to go up to you to play! Ever since then every weekend we would go to each other’s house have sleepovers, go to the movies or just even walk around the mall, go with your dad to see soccers games in howsin, go to 6 flags together, even eating Peruvian chicken together in the kitchen laughing no stop being such goofballs, running around your neighborhood with your friends back at your old house! we made so much memories together! ! You were literally there at my worst moments just like I was for you. We always had our moments of laughter always gossiped felt like old lil ladies in teen bodies lol you were & still are My best friend💕 Funny you taught me how to dance bachata & cumbia lol👉 I miss you so much not a day goes by that I don’t think about you. My literal childhood friend more like family to put that way!! I know you’re in a better place! I wish I could just hug you one last time but all I can do now is just in door all the pictures & videos we have of each other!!😞
You left us way to early mama! Just know we love you so much!!
We will never ever forget about you!👉👉👉

“ We used to have sleepovers all the time when we were little! All those family parties were the best. Those are memories I'll always cherish, the last time I saw was when we worked at Kohl's together. We grew up & life happened but I'm grateful to know you spent your last moments being the loving & hard working Jenny. Thank you Lord for letting us borrow her for the past 20 years.
