“ I worked with Jeremy at TSA from 2008-2011. We carpoled together for a while and were good friends. He was so funny and artistic. He loved cooking and we had many conversations about “nerd” stuff”. He burned cds for me when I needed some new music and once made me a Christmas cd with all my favorite songs. After I left at Dulles we still kept in contact and he made a few Christmas gifts for my husband...the Hulk and Darth Maul dice box. I’m heartbroken to know the world has lost him and I send my deepest condolences to his family who I know he loved so very much.
