“ *Though our friendship was brief, I'm grateful to have known you and been your neighbor. I'll miss your big smile and infectious laugh. Such a character. Rest in piece.*

“ RIP John

*Ours was a brief friendship
a short how do you do .
Nothing fancy ,nothing fake
just getting to know you.*

*You touched our hearts
from the time you moved in.
Hard to believe your gone
having faith we'll meet again .*

*Even if it was never said
please know it was true.
This neighborhood
was a better place
because of you .*

*We miss you .

“ All I can see in my head is JB's smile. He was always laughing and smiling and full of positive energy. I am so very very sorry to hear of his passing. My deepest sympathy love, blessings and prayers to his family and to his friends whom he considered brothers. I had the pleasure to witness this group of guys and they are all very special and have a bond that many of us don't in this world today. My heart goes out to his sister and all of his brothers during this time. May God hold each one of you in His loving arms ❤️ God Bless 🙏
