*I remember Josh in Sunday School at OBUMs youth group. He was always a comical guy and loved to make people laugh. He was his own person and not afraid to be a trend setter. I remember him riding to our house on his bike to visit my sons. Rick called him "Josh By Gosh" and Josh would give him a big smile!

Dearest Debbie and Tim...my heart is full of sorrow for you both and for your family. I had hoped to reach you by text and/or email but don't think either arrived and I don't have your home address. We will be in VA mid-November and would love to catch a glimpse of you and share hugs. Until then, please know you are in my prayers as you adjust to this difficult turn in your journey! Love, Tom and Nancy Peters
