“ I am incredibly sorry to hear about Mrs. Jones. She was my Guidance Counselor, and one of my biggest cheerleaders during my time at Gar-Field Senior High School (1974 to 1978.). Her kindness, beautiful smile, easy laugh, and words of wisdom always made me feel sooo very special like her friend and not a student. I just adored her!! As it happens, my Senior year Home Room teacher turned out to be Mr. Ed Jones. How lucky was I to have both of them in my corner?! What an incredible pair!!

Those 4 years at G-FHS were very happy ones for me. The entire student body was amazing, and I was lucky enough to have many wonderful friends. The teachers were superior, supportive, patient, creative and fun. Just the best! And, ALL of the Coaches were absolutely top notch in every way. Thanks to them, G-FHS was a HUGE power house not only in our District, or Region, but in the entire Commonwealth of Virginia. Several top team and individual championship awards went to both girl and boy athletes. The Music Department saw many awards as well, and the Spring Shows were something else!! Of course, I have to mention how great Mr. Jones and the marching band were, and how they always made the football games great!! Everyone was rocking in the bleachers!! I could go on and on and on!!

With all of my happy memories, Mr. and Mrs. Jones were the absolute brightest stars in my high school universe. I know their favorite songs are playing now. I can just see them arm in arm, dancing and laughing across the Milky Way. Still the brightest stars in the sky.

I love you Mrs. Jones. Please give Mr. Jones a big, tiiiiight hug from me. Have an amazing time together on your new great adventure!

“ Joyce and I both volunteered at Sentara Hospital. She was such a fine lady, with a saucy side (her jokes were salacious but funny). She had such a strength of character. I remember her giving the eulogy at her husband's funeral; I was astounded at her ability to do that! Sleep well my friend!
