“ *Juju you were the light of the party, always laughing and so witty. Truly one of a kind. With a love for Halloween and dressing up and heels. Rest easy sweet lady. Hope you and dad are having fun dressing up and watching down. The world seems a little darker knowing your not in it. Xoxoxo.*

“ To my best friend and Sister I will love and miss you. You have brought so much joy to peoples lives. You were a true inspiration you made everyone smile when you walked in a room. The heavens above will now be smiling because they have you now. You will always be in my heart.
