“ Chuck, Michael, Svea, and family,
I was heart broken to hear of Julie's passing. She was such a wonderful, loving person and will be missed by so many. It's been a long time since I saw her, but it never felt that long since she would share her life through her yearly Christmas cards.
I have many fond childhood memories, especially while living next door in Yardley. I remember Julie being so patient with Lisa and I. I am sure we were a nuisance, but Julie never said anything. I remember her love for their schnauzer and I am sure annoyance for our kitties using their yard as a Litter Box. Many other memories involved my dad and Chuck...drilling for water in the back yard or making their own beer. Those two were something else together! Julie was my mom's dear friend and an aunt to my sister and I. We loved her and will miss her.

Many hugs and prayers,

Lynne Marshall
